## EDUCATION

### +2 in Science (Computer)

MOLISS college / Lalitpur / June, 2021 - May, 2023

I have extensively engaged with core scientific disciplines, including computer science, chemistry, physics, and mathematics. Notably, I have achieved a GPA of 3.30, underscoring my commitment to excellence in these disciplines

### Bachelors in Information and Communication Technology

Virinchi College / Lalitpur / September, 2023 - Present

I am currently pursuing a Bachelor of Information and Communications Technology (BICT) at Virinchi College in Lalitpur, Nepal, with an expected graduation in [2026]. My coursework includes subjects such as Programming, Database Management, and Cybersecurity. Additionally, I am an active member of the Event Club, where we focus on software engineering.

## EXPERIENCE

### Customer Moderator

Yodha Astrology / Kathmandu / January, 2024 - April, 2024

During my four months at Yodha, a Vedic astrology center, I managed client inquiries and provided personalized astrological consultations. I assisted in developing and implementing customer service strategies, and conducted research while contributing to content creation for the company's online platform.
